

## **Stephen Darvill**

Stephen has worked since 1969 in the ICT services industry. His experience covers all aspects of marketing, sales, implementation and support for both private and public sector customers in UK and overseas.

Stephen is currently Government Relations Director for Logica's UK public sector business. He is Chair of Intellect's Professionalism Workstream, Chair of the EURIM Personal Identity & Data Sharing Group, Council member of PITCOM and a member of the BCS External Relations Board and the IET IT Sector Panel. Married with three adult children, he also breeds sheep and rings bells.
