Liz Hardwick

Liz Hardwick is a Digital Productivity Specialist, Professional Speaker, Trainer and Tech Founder, and has been sharing her expertise and experiences of “harnessing digital for human benefit”, for over 15 years through engaging talks, trainings and virtual seminars, and via her online eLearning Platform.

Described as a forever-smiling, down to earth, and approachable expert, she is known for advocating a strong work life balance, using Digital to solve human problems, and loves to demystify technology so everyone can be digitally included.

Liz has been recognised for her achievements in TechWomen100, TechWorld’s Top 111 UK Women in Tech Speakers, and DigitalLeadersUK100.
